V H F NEWS

During the past month, members of the San Antonio Radio Club have participated in several public service activities, including communications for the Alamo Region, Sports Car Club of America. On Nov. 6 & 7 adn the Boy Scouts of America Good Turn Day on November 13,

The weekend at Zuehl Field, near Seguin, was the most interesting as it involved communications for the various race Officials around the track, during both practice and several sports car races. The operation was very sucessful, although we were a bit rusty, since it had been five years since our last outing of this type. Primary communications was handled on 146.94 FM with backup on 52.525 and 145.2 AM. Thanks to W5EJT, W5ETG, W5THU, W5LVE, W5BGE, W5LFG, W5OZQ, K5VCR, K5AUW, WA5EJJ, WA5EFB, WA5GOQ, K5OPT, W5KQG, W5WXT, W5TSE and YLs and XYLs and harmonics.

The following weekend 52.525 and 146.94 were used to assist the Boy Scouts in their Goodwill Collection, providing running tally for the quantity of goods at the Collection centers and Coordinating transfer of these to the Goodwill Agency. Progress of the individual troops and packs was also tallied, so that the status of the overall operation was known, and the collection could be transmitted as soon as all pickups had been made.

We are grateful to K5DNK, W5LVE, W5EJT, K5PKX, K5HZR, WA5CBT, WA5FYX and WA5FAM for their participation in this operation.
